

ALIKA EDUCATIONAL AND HEALTH SOCIETY

SHORT INTRODUCTION

FOUNDATION & MISSION

This organization was established in 2007, however, some of the organization's governing body members have been involved in philanthropic activities since 1999, and in 2007 this resulted into the formation of ALIKA EDUCATIONAL AND HEALTH SOCIETY.

To eradicate illiteracy by mobilizing the resources from the affluent sections of the society and channelizing them towards the downtrodden and deprived sections of the society. Thus our mission is to provide financial assistance to poor and really needy children in educating them, spread literacy and to develop a climate of all round development of the society.

AIMS AND OBJECTIVES

- To grant financial aid to potentially bright and needy students in their schooling (including school fees, books, stationary and uniform etc.) and to look after their studies.
- To identify and motivate potentially bright students to pursue higher education
- To felicitate meritorious students and outstanding players by giving them awards, to encourage them and to motivate others
- Career counselling of students class IX to XII
- To organize free medical and health camps, immunization camps and eye operation camps for the needy sections of society
- Many more

Important points:

- Rather than paying any amount in cash to student's family we pay the fee direct to their schools and arrange the books, stationary etc. through our representative.

HELP EXTENDED TO STUDENTS AND PATIENTS

This organization has extended its moral and financial assistance to hundreds of students without bringing his/her name on public platform and a little number of patients without any financial support from foreign and govt. agencies. Mostly, members of the society contributed for this noble cause till now.

APPEAL

We earnestly appeal to all sincere, kind hearted and like-minded persons who feel the pain for the society and want to join in our efforts and may contribute with the best of their abilities to help this Society and to go all out in striving to achieve the above-mentioned objectives.

ACTIVITIES UNDER THE BANNER OF THE ALIKA EDUCATIONAL AND HEALTH SOCIETY (REGD)

1. Aliko society undertakes social activities focusing mainly on providing financial assistance to the economically challenged students, who are unable to bear their educational expenses but keen to continue their studies.

Categories of sponsorship for bearing the financial responsibilities for the education of the needy and deserving students.

- Some students are being sponsored for their educational expenses from the fund received by the society from various sources defined in the financial resources head in the brochure of the society
- Sponsorship:

In this case applications of the selected most deserving and needy students are being sent to some known people who are interested in assisting students financially for their education and they select students of their own choice and send the required funds of their educational expenses (defined by the organization) to society's bank account and society takes the responsibilities of their education. In this case sponsor of that particular students might be in touch of student's family to know the progress of student.

ACTIVITIES UNDER THE BANNER OF THE ALIKA EDUCATIONAL AND HEALTH SOCIETY (REGD)

2.Treatment of patients:

We just request some known person to help financially for the treatment of some critical patients or medical advice by the doctors in the friend circle which prevent patients in spending unnecessary money in the treatment of patient. But we didn't help patient under Alikas society's name.

3.Career Counselling and Annual Seminar/Function/Award Ceremony of Alikas Educational and Health Society:

To provide guidance about career prospects and to motivate meritorious students, the society organizes a Career Counselling and Award Ceremony functions every year on the occasion of Eid-e-Ghadeer to connect it with the teachings of Hazrat Imam Ali a.s. We try to shape the programme in the form of a good conference for student to have an experience of attending conference/seminar to give them value. This programme has been divided in two sessions.

First session of the Function as Career Counseling session:

- We invite experts from different fields of education and experts explain the challenges of the time and need of education his dedicated field in the progress of students in the modern age, institution of the subject available in India, its approximate of complete course and its future prospects.

ACTIVITIES UNDER THE BANNER OF THE ALIKA EDUCATIONAL AND HEALTH SOCIETY (REGD)

- We invite experts of the policies of the government which help students getting financial benefits or reservation benefits to continue their education. Expert explains about the policies of the government and its use for education and ways to avail it.
- In counseling session mostly, we cover diploma courses after 10th and 12th class, under graduate and master program.
- From the year 2025 we included Innovation and Entrepreneurship in this session to motivate students to go towards setting up their own start-ups not to only rush towards seeking a jobs but to create jobs for others.

2nd Session of Function as Jashne Eid-e-Ghadeer as Award Ceremony:

- We confer some distinguished personalities of the society with the Bharat Samman Award to present them as a role model for student.
- Students from around 7-8 states of India participate in the award ceremony.
- Awards to social workers from different NGOs who are working for the promotion of the education in the society to motivate them doing better in the future.
- This year we felicitate some young businessman to motivate them and to present them as role model for other students too.
