Student Study Centre

Inaugurated a new Study Centre in Govandi with the vision of creating a peaceful and resourceful environment for students aspiring to build a better future. This centre serves as a ray of hope for underprivileged youth who are determined to succeed but lack the necessary resources and space to study effectively.

It is designed not only to support academic learning but also to focus on students' overall development. The initiative combines academic assistance with personal development, career guidance, and structured mentorship to create a long-term, meaningful impact on their educational journey and personal growth.

Little Naasir-e-Mehdi Costume Competition

Organized the Little **Naasir-e-Mehdi (atfs) Costume Competition**, where young children participated with great enthusiasm. Dressed in creative and meaningful costumes, each child represented a role they hope to play in the service of **Imam-e-Zamana (a.t.f.s.)** in the future.

The event was not only filled with joy & excitement, but it also gave children a chance to express their love, loyalty, & readiness to support the Imam when the time comes. It was a beautiful way to instill values of faith, responsibility, & purpose in the hearts of the next generation.

Annual Volunteer Summit

With great enthusiasm, we hosted the Volunteer Leadership Retreat, an impactful overnight gathering that brought together over committed volunteers from various departments. The retreat served as a platform to strengthen collaboration, align goals, share progress, & address challenges as a unified team. It was more than just a meeting.

It fostered a sense of belonging, motivation, and shared purpose, ensuring that every member was informed and inspired to contribute meaningfully. This collective experience not only reinforced our commitment to the movement's mission but also laid a strong foundation for greater achievements ahead.
