Celebrating 20 years of Noble Life

Alipur (Near Bangalore City), Karnataka, India

21st September 2025

Delhi Coordination Meet

Alipur

Alipur is the largest Shia populated town in Karnataka State, blessed with natural beauty and cultural richness. Nestled amidst rolling mountains and serene lakes, our town enjoys a moderate climate throughout the year, creating an ideal environment for learning and growth.

This picturesque setting provides the perfect backdrop for Noble School, where students can connect with nature whilst pursuing their educational journey.

Our Mission & Vision

Knowledge is Life

Key Objectives

Quality Education for All

Providing excellent education and equal opportunities to rural children in a safe, nurturing environment at affordable fees

Holistic Development

Nurturing values and 21st-century skills that extend far beyond traditional curriculum boundaries

Breaking Barriers

Ending the cycle of poverty and dependency through comprehensive career guidance and ongoing support

Lifelong Learning Environment

Ensuring learning becomes integral to living, embodying our motto: "Knowledge is Life"

1700+ Students

The Growing Minority School

From 280 students in 2006, there are 1717 students from Nursery to Class 10 currently enrolled at Noble School Alipur.

Based on increasing community interest and inquiries, we anticipate continued growth in the coming academic year.

Holistic Development in 3.5 Acres of Campus

Nestled within three beautiful acres, our campus provides the perfect environment for comprehensive child development. We believe in nurturing not just academic excellence, but the complete growth of every student - mind, body, and spirit.

Happy Environment

A joyful learning environment is at the heart of everything we do. Our students thrive in a space designed to foster creativity, friendship, and genuine happiness. When children feel safe and celebrated, they naturally reach their full potential.

Sports & Recreation Excellence

We place extra emphasis on a variety of sports and competitions, believing that physical development is essential to holistic growth.

Swimming Program

Professional swimming instruction in our dedicated facilities helps build confidence and physical fitness.

Outdoor Games

Field sports and outdoor activities promote teamwork, leadership, and healthy competition.

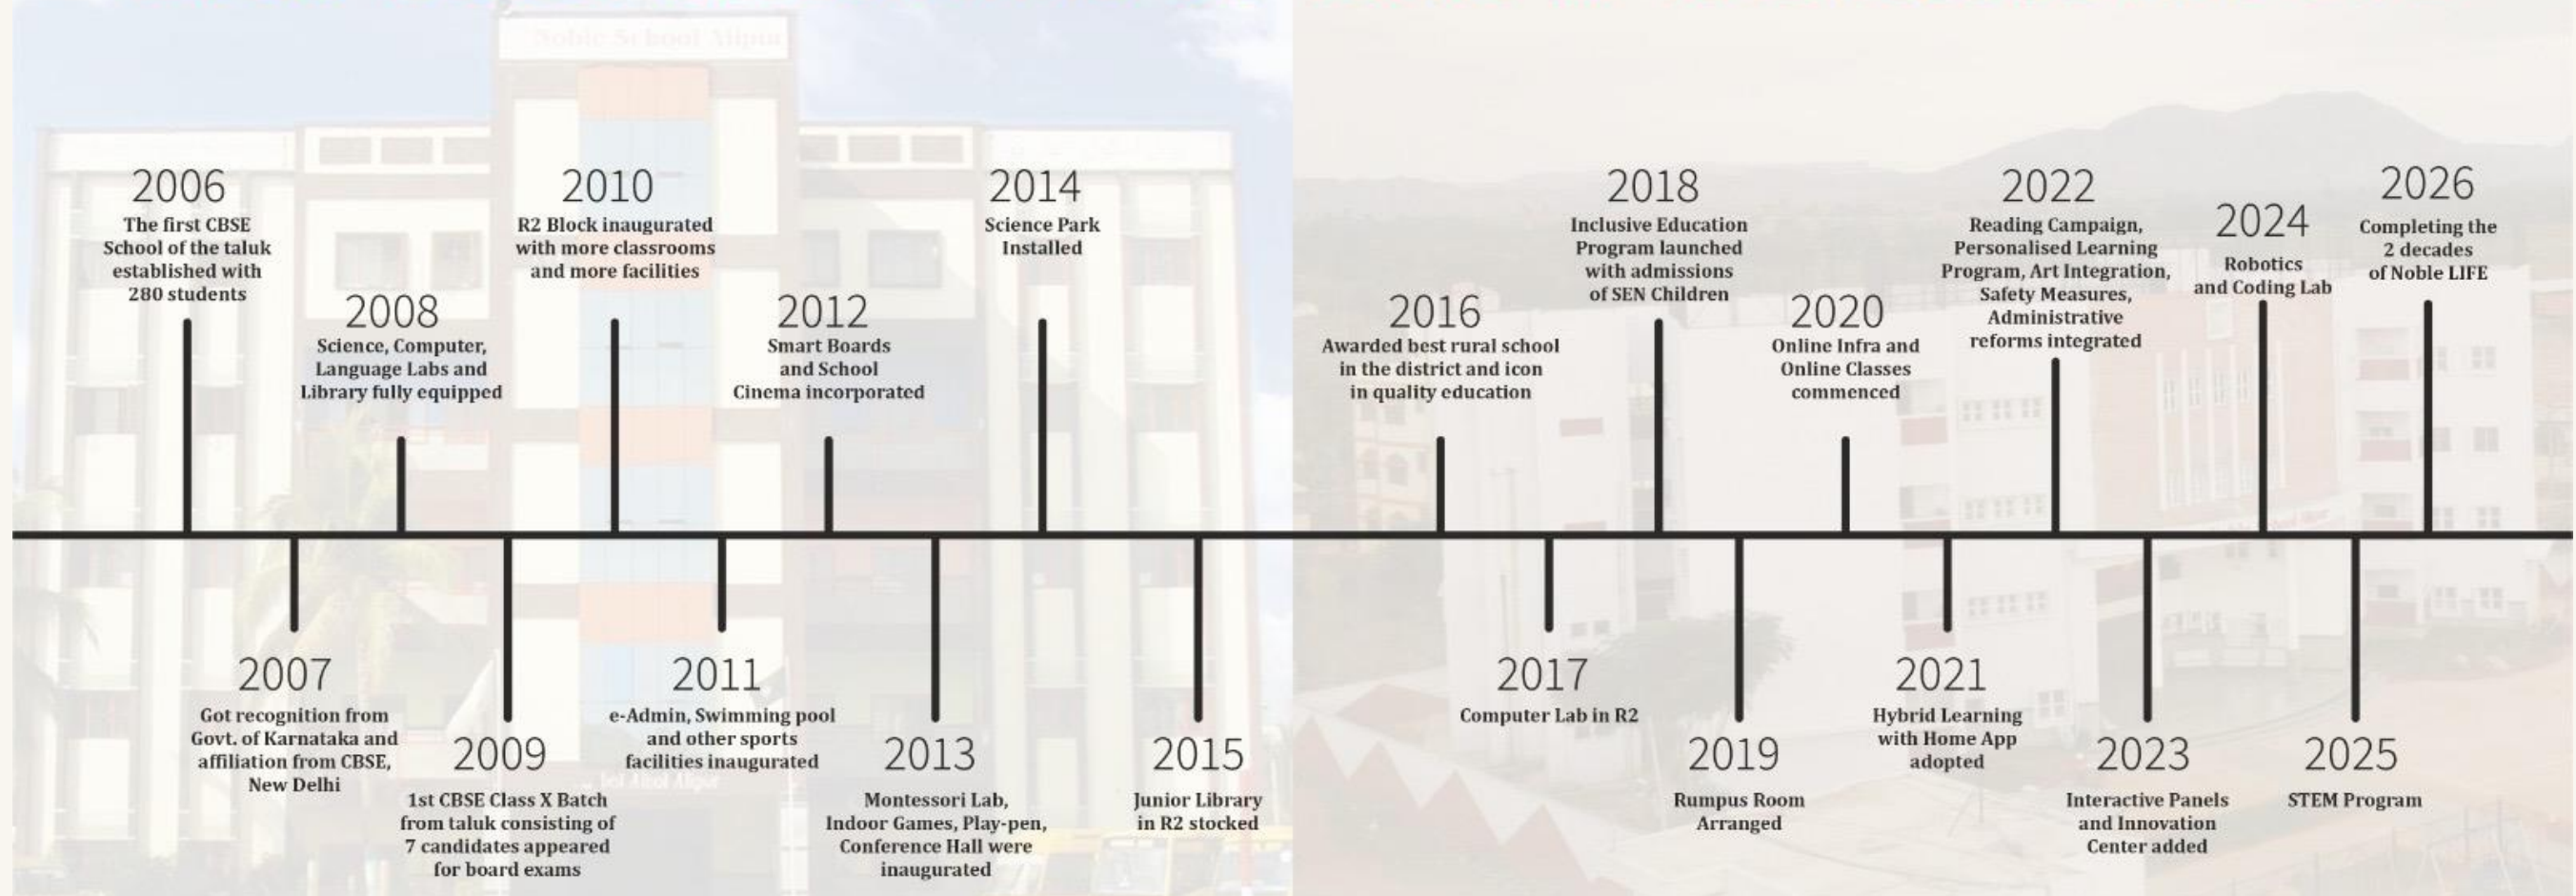

Indoor Games

Year-round athletic opportunities ensure every student finds their passion and develops their skills.

2006-2026: CELEBRATING 20 YEARS OF KNOWLEDGE AND LIFE

Academic Development

The culmination of our holistic approach focuses on rigorous academic excellence. Having built many academic facilities, students have different learning experiences, our students are now ready to excel in their scholarly pursuits with confidence and integrity.

A child-centered educational approach that fosters independence, creativity, and lifelong learning through hands-on exploration and individualized instruction.
