

## **The Pure Household School** -Inspired by and Instilling the values of the Pure Household of the Holy Prophet(s) -The Ahlulbayt(as)

---

### **Home schooling with Indian SSC CBSCE Syllabus with Moral values**

## **NEED**

---

Hijab permissibility, compulsory music, mixed gender activity, transgender and other non-Islamic thought polluting environment increases all over the world including India.

Protecting the belief and young souls of our children from corruption is difficult particularly in absence of Madressa attendance

There are clear advantages of Homeschooling to get with same certifications PLUS in a trusted Moral values environment.

Muslim school going children is estimated at 37 mn and shia would be 5 mn indicating high potential.

## **FEASIBILITY AND EASE**

---

Covid demonstrated fast adoption of online schooling models.

Many low cost Learning management systems (LMS) are available.

There is no investment in building infrastructure and school furniture etc.

Most Families have smart phone n internet access at very low costs.

Many community centres and Imambargahs exist which can become a 'school premises' for online line learning in the day by simply installing a screen with internet and a facilitator

A pool of teachers is available and some underutilized who can be located anywhere in India /world

## **PARTNERING**

Brand and Trust has to be built and Partnering can help

There are **successful online home schooling Islamic models** from the school of Ahlulbayt(as) with whom knowledge sharing n collaboration is possible
