COVID-19 Response

During times of need, our organization actively supported communities by distributing **ration kits, PPE kits, masks, and sanitizers**. These efforts aimed to ensure food security, protect health, and promote hygiene, especially among vulnerable families. The initiative not only provided immediate relief but also strengthened awareness about safety and preventive care.

Carried out Sanitization Drives in Delhi, Mosques, Imambargahs, Schools, and Homes

We carried out sanitization drives across Delhi, covering mosques, Imambargahs, schools, and residential areas to ensure public safety.

Key Contributions During Pandemic

- Distributed ration kits, PPE kits, masks, sanitizers.
- Carried out sanitization drives in Delhi, mosques, Imambargahs, schools, and homes.
- Provided remote learning support to children. Impacted 40,000+ people directly.

Welfare and Relief Initiatives

Welfare has ensured immediate and long-term support:

- **Food distribution during Ramadan, Muharram, and crises.**
- **Vocational training for women & youth (tailoring, computer skills).**
- **Disaster relief during floods and emergencies.**
- **Support with government schemes and documentation**

Mission 2047: Roadmap for Shia Community

- To build a self-reliant, educated, and healthy Shia community by 2047.
- By 2047, we must establish at least 500+ senior secondary schools. Some of this will come through our own efforts, and some with the support of stakeholders.
- In 2047, India will complete 100 years of independence, and it is essential to increase the contribution of the Shia community in nation building.

- We must focus on the **youth**, because the future entirely depends on them.
- Our contribution should be visible in **every field**. If we are **4% of the total population**, then in schools, hospitals, jobs, the army, and other sectors, our participation should also be at least **4%**.
- On the available **5 acres of land**, we plan to establish a **residential senior secondary school** along with a **teacher training centre**.
